March 2017

Dear Parents and Guardians,

Welcome to the Green Bay Area Public School District's Summer School Offerings. This booklet contains offerings that are available to all green Bay Area Public School District students within the specified grade levels, dates, and times listed. ***Many of the elementary, middle, and high schools will be offering their own individualized summer school programs for their current and incoming students with offerings not included in this booklet.*** Please refer to the contact information for all schools below to call your school of choice and inquire if they will be offering a summer school program. They will be able to provide information on their course offerings, dates, times, and registration process, if available.

The following information applies to the District Summer School Program as specified in this coursebook, and does not include information on individual summer school programs being held at school sites. Please contact your school for information on their summer programs.

Who is eligible to register?

1. Students who currently attend one of the Green Bay Area Public Schools listed on Page 2.
2. Private school students who live within Green Bay School District Boundaries may attend Green Bay Summer School program, and are required to complete and submit the 2017 Summer School Enrollment Form in addition to all other necessary registration forms.
3. Students who do not live within the Green Bay School District boundaries and are not currently enrolled in a Green Bay School may be eligible to enroll and register for Green Bay Summer School, with a \$50.00 fee per course.

What are the dates for registration?

1. Applications must be submitted within the open registration window from **April 3-17, 2017**. The district retains the right to cancel courses if enrollment is too low, and implement a lottery if enrollment exceeds capacity.

What is the registration process?

1. **OPTION 1:** Students who have already activated their student portal and have their login information can register online from **April 3-17, 2017**. Please refer to the Portal Course Registration Instructions in this booklet. If you are requesting busing to Beaumont or Sullivan, please send your transportation request form to: Green Bay Area Public Schools, ATTN: Summer School, 200 South Broadway, Green Bay, Wisconsin 54303.
2. **OPTION 2:** Students without student portal access should complete the Course Registration and Transportation Request forms, and drop them off or mail them to: Green Bay Area Public Schools, ATTN: Summer School, 200 South Broadway, Green Bay, Wisconsin 54303 **no later than April 17, 2017**.
3. All students who are **not currently enrolled** in Green Bay Schools and are requesting enrollment in GBAPS Summer School must complete the 2017 Summer School Enrollment Form in addition to all other registration forms.
4. Students who do **not live within the Green Bay district boundaries** and are **not currently enrolled in a Green Bay school** must submit the **\$50.00** fee along with the 2017 Summer School Enrollment Form in addition to all other registration forms.

Is transportation available?

1. Transportation is available for students who register for the KG-6 Math, Reading, and Enrichment courses held at **Beaumont and Sullivan** Schools. Please see page 23-24 of this coursebook for instructions and sign-up forms. Busing will be available for students who include their transportation request along with their course registration within the open registration window. Busing may not be available for late requests, so please include your transportation request with your course registration sheet from April 3-17, 2017

Questions?

1. Email: summerschool@gbaps.org
2. Call 920-448-2000 and ask for Summer School assistance.
3. Questions and registration forms for individual summer school courses and programs not included in this booklet should be directed to the school where the program is being held.

The following programs outlined below are included in detail in this coursebook. All courses included in this coursebook are available for registration through the student portal April 3-17, 2017.

Grades KG - 6 Math, Reading, and Enrichment Courses (Pages 6-15)

On the Road to Math and On the Road to Reading (Pages 6-8) courses are designed to provide extended learning opportunities to strengthen or enhance skills in these essential core content areas. These courses are open to all students entering grades KG-6, although priority will be given to students who have been invited to participate, or those students whose school does not offer a Math or Reading summer school program. Please see the coursebook descriptions for details on course offerings, dates, times, and locations.

Enrichment (pages 9–15) courses are designed to provide extended learning opportunities to strengthen or enhance skills in all content areas. These courses are open to students in the specified grade levels, although Math and Reading courses will take priority over enrichment courses for those students who have been encouraged to participate in Math and Reading. Please see coursebook descriptions for details on course offerings, dates, times, and locations.

Participants will have the opportunity to take up to two classes per session for a total of up to four classes. Classes will run Monday – Friday, and lunch will be served, free of charge, from 12:00 to 12:30 pm on site at each school.

All KG-6 Math, Reading, and Enrichment classes will be held at Sullivan and Beaumont Elementary Schools and follow the schedule below. Please see the coursebook for course descriptions, dates, times, and locations.

Session 1: June 19 – July 14, 2017 ***No school July 3-7, 2017**

1A: Period A – 9:00 a.m. – 10:30 a.m.

1B: Period B – 10:30 a.m. – 12:00 p.m.

Session 2: July 17 – August 4, 2017

2A: Period A – 9:00 a.m. – 10:30 a.m.

2B: Period B – 10:30 a.m. – 12:00 p.m.

Online High School Credit-Earning Courses: (Pages 16-17)

Online High School Credit courses are designed for students entering grades 9-12 as specified in the course descriptions. Please refer to the special instructions for requirements and approval to take online courses.

Each middle and high school will be offering individualized summer school programs tailored to the needs of their students. Please contact your middle or high school for specific information on their course offerings, dates, times, and registration process.

Some of the courses offered by middle and high school summer programs are listed below:

- **Middle School Matters - 6th Grade Orientation:** Middle School Matters is an orientation program for all incoming 6th grade students and is held at each Middle School in the Green Bay Area Public School District. Please contact the middle school your student will be attending for details on dates, times, and registration process for Middle School Matters.
- **Freshman Forward – 9th Grade Orientation:** Freshman Forward is an orientation program for all incoming 9th grade students and is held at each High School in the Green Bay Area Public School District. Please contact the high school your student will be attending for details on dates, times, and registration process for Freshman Forward.
- **Grades 9-12 Credit-Earning Courses:** High School Credit courses are designed for students entering grades 9-12 who are taking a course for the first-time. These are full-semester content courses, and attendance is required in order to obtain the full credit for these courses. Space in these courses is limited, so priority will be given to those students who are behind in credits, and on a descending grade level basis. If necessary, a lottery may be implemented after priorities are met, to ensure non-preferential placement of the remaining registration requests. These courses are not included in this coursebook, and will vary by school. Please contact your high school counselor for details on courses, dates and times of new credit courses offered at your high school.
- **Grades 9-12 Credit Recovery Courses:** Continuous Progress and Credit Recovery courses will be offered at each high school based on student needs. These courses are not included in this coursebook, and will vary by school. Please contact your high school counselor for details on courses, dates, and times of credit recovery and make-up credit courses offered at your high school.

PLEASE NOTE: Course expectations for credit courses mirror those of the regular year, including assignments and final exams. State and local standards/benchmarks are covered. All school rules for attendance and behavior are enforced. Disruptive students may be removed from the class so the learning experience can remain positive for other class members.

ATTENDANCE: Due to the compressed schedule, students are expected to attend every day. Family vacations, trips, and camps are not excused absences. Summer school is not the best option if such plans are already in place.

Grades KG-6 Math and Reading Course Descriptions

These courses are designed to provide extended learning opportunities to strengthen or enhance skills in Math and Reading. They are open to all students entering grades KG-6, although priority will be given to students who have been invited to participate, or those students whose school does not offer a Math or Reading summer school program.

Then Summer Fitness and Fun is the place to be!! Play a different game every day including soccer, tag games, water balloons, Capture the Flag, Army Navy and more!! Stay active and make healthy choices as you learn about honesty, respect, caring, good sportsmanship, responsibility, and teamwork through games!	Entering: Kindergarten Grade 1
ELMSS0036-1A ELMSS0036-1B ELMSS0036-2A ELMSS0036-2B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i> 2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00) A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan Sullivan Sullivan	Books, Crafts, and Snacks	This course is geared towards kindergarten, first, and second graders, emergent readers who enjoy a good book, crafts, and tasty themed snacks! Each week features a popular contemporary children's author, whom students will explore through reading different books, creating fun and exciting crafts, and celebrating the author through a delicious themed snack! This course helps young students develop the basic reading strategies they will use the following school year to find success as an emergent reader! This hands-on course is the perfect example of fun and exciting learning. Whether it is decorating cookies or making their own Eric Carle sponge painted artwork, your child is sure to develop a love for reading, exploring, and learning through this course! We look forward to reading, crafting, and snacking with you!	Entering: Kindergarten Grade 1 Grade 2
ELMSS0028-1A ELMSS0028-1B ELMSS0028-2A ELMSS0028-2B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i> 2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00) A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont Beaumont Beaumont	Amazing Book Adventures	Are you up for an amazing adventure? Do you like books, snacks, games and art projects? Have you ever wondered what it is like to be an author or illustrator? Come and explore books written by your favorite authors. Each week, we will focus on one specific author. We will dive head first into a variety of books and topics written by each author. Along the way, we will make and enjoy snacks that fit right in with the theme for the week. We will also create art projects and play games all while learning about the various reading strategies and skills needed to be successful readers. I hope you will join me on my amazing book adventure this summer!	Entering: Kindergarten Grade 1 Grade 2
ELMSS0029-1A ELMSS0029-1B ELMSS0029-2A ELMSS0029-2B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i> 2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00) A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan Sullivan Sullivan	Plants and Me!	From broccoli to watermelon, plants are an important part of the foods we eat! In this course students will discover more about how plants grow, the plants we eat, and become mini gardeners as they plant and care for their own plants! Each day students will read, write, observe and draw about plants--and how could we have a true appreciation for the plants we eat without a little creating and snacking!? It's time to find our green thumbs and discover more about Plants and Me!	Entering: Kindergarten Grade 1 Grade 2 Grade 3
ELMSS0139-2A ELMSS0139-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Wildlife Safari	Do you wish you could see lions in Africa? Or penguins in Antarctica? This summer you can! In our Wildlife Safari class, we will spend our time traveling around the world to explore different animals in their diverse habitats. You will become an expert on animals and plants and how they impact each other. We will read about different animals, explore through research and create awesome artifacts along the way. Don't forget to bring your safari hat!	Entering: Grade 1 Grade 2 Grade 3

<u>Course #</u>	<u>Session #</u>	<u>Period</u>	<u>Location</u>	<u>Course Title</u>	<u>Description</u>	<u>Grade in 2017-18</u>
ELMSS0127-1A ELMSS0127-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Penguin Party!	Who doesn't love penguins?!? They're cute. They walk funny, and they slide on their bellies all over the place! In this class, students will learn how they toboggan, porpoise, and take care of each other. Do you know how many different kinds of penguins there are? You'll learn that number, and you'll learn which ones live where it's warm. Yes, some penguins live where it's hot! Why is one type of penguin called the macaroni penguin? Do they like macaroni and cheese? Take this class, and you'll find out! Along the way, this class will also study other animals and plants to see how they've adapted to their habitats. You'll get to make projects, play games, and read really interesting books.	Entering: Grade 1 Grade 2 Grade 3
ELMSS0149-1A ELMSS0149-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Summer Fitness & Fun Grades 1-3	Do you want to be fit and healthy while having fun at the same time? Then Summer Fitness and Fun is the place to be! Play a different game everyday including soccer, tag games, water balloons, Capture the Flag, and more! Stay active and make healthy choices as you learn about honesty, respect, caring, good sportsmanship, responsibility, and teamwork through games and physical activities. Students in grades 1-3 will focus more on movement and equipment while. students in grades 3-5 will play more cooperative and competitive small group and team games. Students will need: Tennis shoes, Water bottle and appropriate clothes for activity!	Entering: Grade 1 Grade 2 Grade 3
ELMSS0145-1A ELMSS0145-1B ELMSS0145-2A ELMSS0145-2B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i> 2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00) A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan Sullivan Sullivan	Creative Problem Solving with STEM	Every day we come into contact with items around our house or at school that can be used in creative ways! In 'Creative Problem Solving with STEM' we will use a variety of everyday objects to challenge our brains into thinking about them differently. We will work collaboratively to solve challenges inspired by literature, science, and math. Students will also use their writing skills to journal about each activity. Come join in this fun adventure in creative problem solving!	Entering: Grade 1 Grade 2 Grade 3 Grade 4
ELMSS0155-2A ELMSS0155-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Art Exploration	Students in Art Exploration will take an adventure to explore many materials in the world of art. Students will experiment with multiple materials to develop skills and techniques to create quality art. Let the creativity take shape this summer in Art Exploration!	Entering: Grade 1 Grade 2 Grade 3 Grade 4 Grade 5
ELMSS0460-1A ELMSS0460-1B ELMSS0460-2A ELMSS0460-2B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i> 2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00) A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan Sullivan Sullivan	Summer Fitness & Fun Grades 2-3	Do you want to be fit and healthy while having fun at the same time? Then Summer Fitness and Fun is the place to be!! Play a different game every day including soccer, tag games, water balloons, Capture the Flag, Army Navy and more!! Stay active and make healthy choices as you learn about honesty, respect, caring, good sportsmanship, responsibility, and teamwork through games!	Entering: Grade 2 Grade 3

<u>Course #</u>	<u>Session #</u>	<u>Period</u>	<u>Location</u>	<u>Course Title</u>	<u>Description</u>	<u>Grade in 2017-18</u>
ELMSS0236-1A ELMSS0236-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Construction & Testing Activities	Do you like to analyze and ask questions about machines? Do you like to create and test different machines? Join us on a fun adventure this summer as we become scientists and engineers and explore some newer and age old machines. You will get an opportunity to learn how things fly, float and move. You will also get a chance to create and test some fun machines through this three week adventure.	Entering: Grade 2 Grade 3 Grade 4
ELMSS0134-1A ELMSS0134-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Abracadoodle!	Do you love creating art but are tired of using the same old materials? Abracadoodle is the class for you! We will create and learn about famous techniques and the artists that have used them. Projects will include sculpture, weaving, foil embossing, mosaics, painting, and much more! As artists, we will build our self-confidence and learn how to express ourselves using these new techniques while still being allowed to have the freedom to be as creative as possible. You will end the three week class with a number of one-of-a-kind creations that truly show what an amazing imagination you have!	Entering: Grade 2 Grade 3 Grade 4 Grade 5
ELMSS0134-2A ELMSS0134-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont			
ELMSS0154-1A ELMSS0154-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Digital Design	Do you like playing on the computer? Would you like to learn how to create fun projects using the World Wide Web? Well this is the class for you!! During summer school you will have a chance to try out computer programs like Voki, Glogster, Animoto, Wordle, Prezi and more. But that's not all. You will learn how to import photos, videos and song using a digital camera, iPad and the internet. By the end of summer school you will have a collection of exciting computer projects to show off to your friends and family! Sign up today and spend your summer surfing...the web that is!	Entering: Grade 2 Grade 3 Grade 4 Grade 5
ELMSS0154-2A ELMSS0154-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont			
ELMSS0380-1A ELMSS0380-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Piano Pals Keyboard	Beginners will learn to play the piano in a group lab setting with electronic keyboards. Students entering grades 2-5 with reading ability will learn to play popular songs with multiple rhythm patterns using a variety of funky sound effects. Students will have their own keyboard, lesson book, a fun book, iPad, and access to multiple enrichment games and activities.	Entering: Grade 2 Grade 3 Grade 4 Grade 5
ELMSS0380-2A ELMSS0380-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont			
ELMSS0395-1A ELMSS0395-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Wacky Wonders of the Science World	Be a scientist! You will perform science experiments to discover how to make raisins dance and remove the shell of an egg without your hands. You will also make volcanoes and watch them erupt. You will use hands on learning to discover such things as how matter changes (i.e. making ice cream in a bag). Get ready to complete wild and wacky experiments as you learn about the scientific method.	Entering: Grade 2 Grade 3 Grade 4 Grade 5
ELMSS0395-2A ELMSS0395-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont			

<u>Course #</u>	<u>Session #</u>	<u>Period</u>	<u>Location</u>	<u>Course Title</u>	<u>Description</u>	<u>Grade in 2017-18</u>
ELMSS0262-1A ELMSS0262-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Harry Potter World	Join us on our quest to understand the Wizarding World of Harry Potter. During this three week course, we will dive into three different, Hogwarts approved, classes. In Herbology, we will grow our own plants while learning about the life cycle of a plant. Potions class will include mixing different substances and experimenting with matter. Transfiguration class will tap into your more creative side, by allowing you to design and create your own transfigured animal. Hop aboard the Hogwart's Express and join us in our magical adventure this summer.	Entering: Grade 2 Grade 3 Grade 4 Grade 5 Grade 6
ELMSS0262-2A ELMSS0262-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan			
ELMSS0010-1AB	1 (June 19-July 14) <i>(No school July 3-7)</i>	A&B (9:00-12:00)	Sullivan	Bilingual Skills Galore!	3rd and 4th Grade Bilingual Skills Galore - Reading, Math, Science, and Computer Explorations - This summer school course provides for both reinforcement of learned skills and remedial assistance for students who need a little extra academic support. Students will enrich their bilingual skills doing enriching math, reading, writing integrated with science, computers, and art activities. Class meets from 9:00-12:00	Entering: Grade 3 Grade 4
ELMSS0010-2AB	2 (July 17-Aug 4)	A&B (9:00-12:00)	Sullivan			
ELMSS0330-1A ELMSS0330-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Computer Creations	Students will have a blast creating their very own "computer creations" in this course. Using Microsoft Word, the internet, and other programs on the computer, students will learn how to create letters, postcards, puzzles, greeting cards, invitations, and much more! This is a great class for anyone interested in computers or would like to make their own computer creations.	Entering: Grade 3 Grade 4 Grade 5
ELMSS0352-2A ELMSS0352-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Checkmate!	CHECKMATE! Come and learn how KINGS, QUEENS, ROOKS, KNIGHTS, BISHOPS, and PAWNS can help to improve BRAIN POWER by learning the game of Chess. Chess has been proven to enhance creativity, concentration, critical thinking skills, memory, academic achievement, problem solving, cultural enrichment, intellectual maturity, social skills and self-esteem. No prior chess skills needed and open to all 3-5 grade students. If you already know how to play chess, this will be a great way to practice your current moves and learn new moves! This will be an interactive class...come and join the fun!	Entering: Grade 3 Grade 4 Grade 5
ELMSS0353-1A ELMSS0353-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Magic School Bus Science Adventures	"Seat belts, everyone!" Jump on board the Magic School Bus for a summer of exciting science adventures. As scientists, we will dive into the different worlds of science, exploring a variety of topics from weather and climate to energy and matter. After reading and studying about science topics, you will become true scientists that experiment hands-on with each topic we explore. "So step inside, it's a wild ride...Ride on the Magic School Bus!"	Entering: Grade 3 Grade 4 Grade 5
ELMSS0353-2A ELMSS0353-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont			

<u>Course #</u>	<u>Session #</u>	<u>Period</u>	<u>Location</u>	<u>Course Title</u>	<u>Description</u>	<u>Grade in 2017-18</u>
ELMSS0345-1A ELMSS0345-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Summer Fitness & Fun Grades 3-5	Do you want to be fit and healthy while having fun at the same time? Then Summer Fitness and Fun is the place to be! Play a different game everyday including soccer, tag games, water balloons, Capture the Flag, and more! Stay active and make healthy choices as you learn about honesty, respect, caring, good sportsmanship, responsibility, and teamwork through games and physical activities. Students in grades 1-3 will focus more on movement and equipment while. students in grades 3-5 will play more cooperative and competitive small group and team games. Students will need: Tennis shoes, Water bottle and appropriate clothes for activity!	Entering: Grade 3 Grade 4 Grade 5
ELMSS0570-1A ELMSS0570-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Exciting Board Games	Do you enjoy playing board games? Exciting Board Games will introduce you to new games that are popular around the world. We will be playing classics such as Chess as well as soon to be classics like Catan, Ticket to Ride, and Age of War. Some games will require teamwork and cooperation, others will allow you to emerge victorious on your own. We may spend a day saving people from fires (in the game, of course) or from deadly epidemics, or we could construct famous monuments from around the world, or we could trade some wheat for some sheep.	Entering: Grade 3 Grade 4 Grade 5 Grade 6
ELMSS0570-2A ELMSS0570-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan			
ELMSS0363-1A ELMSS0363-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont	Books as Movies	Did you know that many movies were books before they were on the big screen? In "Books as Movies" we will read books that have been turned into movies. We will read as a whole class, as small groups, and individually. After we read a book we will watch a movie to see which we like better. I'll bring the popcorn!	Entering: Grade 3 Grade 4 Grade 5 Grade 6
ELMSS0363-2A ELMSS0363-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Beaumont Beaumont			
ELMSS0485-1A ELMSS0485-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Sports Exploratory	Do you want to be fit and healthy while having fun at the same time? Then Sports Exploratory is the place to be!! Students will be able to explore different types of sports and physical activity based games. They will also acquire the basic skills and rules needed to play them. Students will understand how important teamwork is and what it means to be a team player. This course will be geared towards all levels of ability as well as overall student interests. This class is a sure way to keep you active over the summer and run off some of your extra energy while having fun!	Entering: Grade 3 Grade 4 Grade 5 Grade 6
ELMSS0485-2A ELMSS0485-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan

This adventure offers opportunities to learn about and research different locations. Students will "hit the road" and decide which cities and states they want to visit, including different venues and sights they want to explore further. Students will form a 'Rock Band' and decide on which instrument they will play. Students will participate in a simulation 'trip' in which decisions will have to be made about type of car to rent, where to eat, and what type of hotels to stay in on their adventure. Students will use math to plan a budget for the trip, estimating income and expenses. Students will be using technology to deepen your understanding about many fantastic places across the United States. They will plan to promote their band tour on TV, radio and billboards. Students will also learn about instruments originating from different countries and what instruments the members of their band will play. Finally, we conclude this adventure with a <u>sweet treat</u> to celebrate our successful adventure! Pack your bags and join us for our 3 week tour! We can't wait to start this adventure with all of you!	Entering: Grade 5 Grade 6
ELMSS0511-1A ELMSS0511-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Planning a Party 101	Have you ever wanted to plan a party but weren't sure where to start? Have you ever really wanted to buy something but had a hard time saving money? If so, this is the class for you! Learn how to create a budget for yourself so you can plan a party for your friends this summer. When you learn how to budget your money, you are also learning how to save your money to buy that really cool new X-Box (or whatever it is!) that you want. Practice your math and problem solving skills as you work to plan a party. As a celebration of your work, we will actually throw the party that we plan as a class.	Entering: Grade 5 Grade 6
ELMSS0511-2A ELMSS0511-2B	2 (July 17-Aug 4) 2 (July 17-Aug 4)	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan			
MIDSS0750-1A MIDSS0750-1B	1 (June 19-July 14) 1 (June 19-July 14) <i>(No school July 3-7)</i>	A (9:00-10:30) B (10:30-12:00)	Sullivan Sullivan	Robotics, Electronics & Engineering	Have you ever wanted to experiment with robotics, electronics, or other technologies? In this engaging, fun, and hands-on class, you will have the chance to work with electronics projects, build a remote controlled vehicle with VEX Robotics components, and use your creativity to solve problems. Both sessions are introductory level classes, but students taking this class the first session can also take it again during the second session to do more advanced projects.	Entering: Grade 5 Grade 6

Online High School Credit for Students Entering Grades 9-12

Online High School Credit courses are designed for students entering grades 9-12 who are taking this course for the first-time; no course repeats, and no grade replacements. Space in these courses is limited. If necessary, a lottery may be put in place after priorities are met, in order to ensure non-preferential placement of the remaining registration requests.

Online Learning Opportunities

The Green Bay Area Public School District expects to offer high school students the opportunity to register in one of several online courses this summer:

HEA049024ONL - Health

ONLPED049524 - Fitness Lifestyle Design (incoming 10th, 11th and 12th grade students only)

PFM083424ONL - Personal Financial Literacy (PFL – incoming 11th and 12th grade students only)

Interested students must activate and readily access their GBAPS Gmail accounts. Communications pertaining to online courses will be sent the student Gmail accounts.

- Online courses (including PE) may not be repeated.
- Online courses may not be taken for grade improvement or credit recovery.
- Students are only allowed to enroll in one online course in the summer.
- Should requests exceed the available capacity, a lottery will determine student placement in the requested course. Selected students will be notified by April 28th.
- Students selected through the lottery will receive a packet, via their district Gmail, which outlines next steps, critical dates, and process for online course enrollment.
- Online courses are eight weeks long, running from 06/19/17 – 08/11/17.
- A preliminary online Orientation mini-course is required, in advance of the 6/19/17 course start.
- Face-to-face, proctored final exams are **required** on one of three dates:
 - August 10
 - August 14
 - August 15

If you have any questions about online learning, please email Alison Manwiller at agmanwiller@gbaps.org or call 920-448-7388.

Online High School Credit for Students Entering Grades 9-12

<u>Course #</u>	<u>Session #</u>	<u>Time</u>	<u>Location</u>	<u>Course Title</u>	<u>Description</u>	<u>Grade in 2017-18</u>
HEA049024ONL	June 19-Aug 18	Online	Online	Health	This course emphasizes total wellness including physical, mental and social well-being. The goal of the course is to encourage students to move toward wellness by taking responsible actions and making well-informed decisions. Content includes eight major areas: human growth and development, alcohol and drugs, environmental health, nutrition, mental and emotional health, first aid and safety, disease prevention, and communication. Completion of this course fulfills the health requirement for graduation in Green Bay.	Entering: Grade 9 Grade 10 Grade 11 Grade 12 Graded - 0.5 Credit
PFM083424ONL	June 19-Aug 18	Online	Online	Personal Financial Literacy	This is a required course in which each student applies decision-making and problem-solving skills to real-life personal and financial situations. Course content will include financial planning, legal rights and responsibilities as consumers, resources to support families and community, and trends of the workplace. Completion of this course fulfills .5 credits of the personal financial literacy requirements for graduation.	Entering: Grade 11 Grade 12 Graded – 0.5 Credit
ONLPED049524	June 19-Aug 18	Online	Online	Fitness Lifestyle Design	Students spend quality time at Club Web and learn healthy habits for body and mind to lead to a healthier lifestyle. Students assess their beginning fitness levels and nutritional knowledge, then create individual plans for achieving personalized goals. The expertise of a professional fitness staff combine with natural surroundings perfect for fun and relaxation at Club Web, and students are set for fitness adventure. Among the numerous activities available to Club Web guests are golf, tennis, racquetball, biking, the health and fitness center, and the walking and jogging trail. While at Club Web, students improve flexibility, enhance cardiovascular fitness, and increase strength and endurance. The goal of this course is to help students experience the benefits of exercise, proper nutrition, and weight management. Completion of this course fulfills .5 credits of the physical education requirements for graduation.	Entering: Grade 10 Grade 11 Grade 12 Graded - 0.5 Credit Prerequisite: Physical Education 9

If you have any questions about online learning, please email Alison Manwiller at aqmanwiller@gbaps.org or call 920-448-7388.

Portal Course Registration Instructions for Summer School

Registration will be open April 3 – 17, 2017

Guidelines:

- **All students** who already have a student portal and login information can register online from April 3-17, 2017.
- **KG-6 Math, Reading & Enrichment at Sullivan and Beaumont:** You may register for up to a total of four (4) classes: 1A, 1B, 2A, 2B. If you request busing, please sign up for classes offered only at the location that is eligible for busing from your home school, and return the completed Transportation Form to: Green Bay Schools, ATTN: Summer School, 200 S. Broadway, Green Bay, WI 54303.
- **Grades 9-12 Online High School Credit:** You may register for one online class, provided you meet the eligibility requirements for the online class you register for. Please talk to your school counselor to determine your eligibility prior to registering for online courses.
- If you register for your summer school courses through the portal, you do **not** need to complete and return the Course Registration Sheet.
- If you are requesting **busing** to Sullivan or Beaumont as part of this portal course registration, you will need to complete and return the Transportation Form.

Instructions:

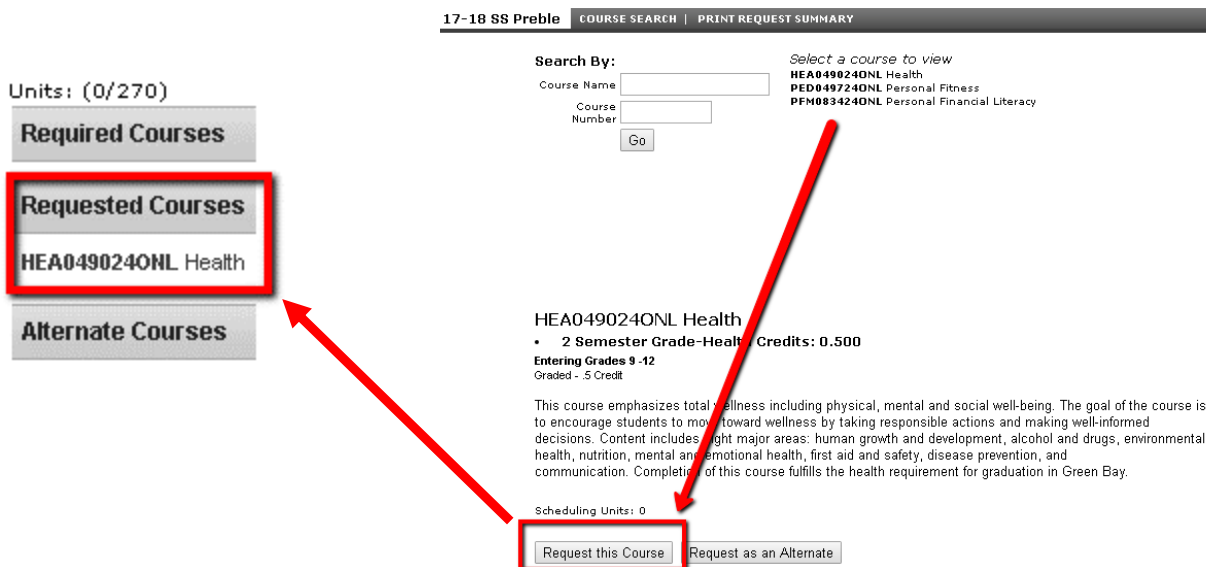

1. The student portal must be set up from a GBAPS district computer at the student's home school before you are able to access the student portal from your home computer.
2. Access the student portal at this web address:
<https://campus.gbaps.org/campus/portal/greenbay.jsp>

The screenshot shows the Infinite Campus login interface. At the top left is the Infinite Campus logo with the tagline 'Transforming K12 Education®'. On the right, a red button labeled 'Campus Portal' is visible, with 'Green Bay Area' written below it. The main content area contains a login form with fields for 'Username' and 'Password', a 'Sign In >>' button, and links for 'Forgot your password?', 'Forgot your username?', and 'Problems logging in?'. Below the login section, there are instructions for users with and without activation keys, and a link to 'Tell me more!'. A 'District Announcements' section follows, featuring a date '2014-10-24' and a notice about the mobile app's view-only status, with a link to the portal: <https://campus.gbaps.org/campus/portal/greenbay.jsp>. At the bottom, there is a language dropdown menu set to 'English', a copyright notice '©2003-2017 Infinite Campus, Inc.', and the website URL 'www.infinitecampus.com'.

- Log in with your user name and password and you will be directed to your portal site where you will see the Course Registrations for Summer School. On the left side of the navigation bar, open up the Course Registration: 17-18 SS (School), where the (School) is the location of the course you want to select is being offered. For example, if you want to sign up for Online Health through Preble High School, you would click to open: Course Registration: 17-18 SS Preble. (See below)
- To search for courses, click on Course Search, which is found at the top of the registration page. This will open up two search boxes which will allow you to search using the course number or course name. If you want to see all courses offered for portal registration at that location for Summer School, leave both search boxes empty and click on Go

- To select the course you would like to register for, click on the title of that course and it will open up a description box below the course list. Scroll to the bottom of this description box, and click on Request This Course, and it will move over to the left under Requested Courses.

- Continue this process for each course you would like to take at each location. **Please be careful that you do not register for courses that are offered at the same time, or that overlap their session dates and times, as we will not be able to complete registrations that conflict with one another.**
- If you pick the wrong course or want to delete a course registration you've already selected, click on the course from the Requested Courses menu to open up the description and click on: Drop this Request

If you have any questions or need assistance, please stop into our District Office at 200 S. Broadway, Green Bay, WI or call us at: 920-448-2000.

2017 Summer School Course Registration Sheet

Complete one form per student

Submit the Course Registration Sheet, and Transportation Form, if requested, to:
Green Bay Area Public Schools, ATTN: Summer School, 200 South Broadway, Green Bay, WI 54303.

Student's Full Legal Name: _____

For Office Use Only:

Initials: _____ Date Received: _____

2017 Transportation Form

Please complete the request form on the following page for each student, attach it to the Course Registration Sheet, and send it to:

**Green Bay Area Public Schools
ATTN: Summer School
200 South Broadway
Green Bay, Wisconsin 54303**

The district will provide east-side residents transportation to and from Sullivan Elementary School and west-side residents to and from Beaumont Elementary School. Students will have the option of being bused from their home GBAPS elementary or middle school to the appropriate east-side (Sullivan) or west-side (Beaumont) site in the morning and transported back from that site to either their home GBAPS elementary or middle school or to the appropriate Boys & Girls Club location after the summer school day has ended at 12:30 pm.

We do not offer busing from individual homes or neighborhoods.

Complete and return ONLY if you are requesting busing for:

- **Sullivan** Elementary School if you reside on the **East** side of Green Bay
- **Beaumont** Elementary School if you reside on the **West** side of Green Bay

There is NO busing available for:

- **Sullivan** Elementary School if you reside on the **West** side of Green Bay
- **Beaumont** Elementary School if you reside on the **East** side of Green Bay

Bus schedules will be available by June 5, 2017 on our district website at www.gbaps.org and at all Green Bay Area Schools.

To request busing to and from your home school before and after the full day of Summer School (9:00 – 12:30), please complete one of the following two options:

My child will use the district provided transportation to and from **Sullivan Elementary School** from the following school as the pick-up and drop-off site: *(Please check only ONE site)*

- | | | | |
|---------------------------------------|-------------------------------------|------------------------------------|--|
| <input type="checkbox"/> Aldo Leopold | <input type="checkbox"/> Edison MS | <input type="checkbox"/> Martin | <input type="checkbox"/> Washington MS |
| <input type="checkbox"/> Baird | <input type="checkbox"/> Eisenhower | <input type="checkbox"/> McAuliffe | <input type="checkbox"/> Webster |
| <input type="checkbox"/> Danz | <input type="checkbox"/> Howe | <input type="checkbox"/> Nicolet | <input type="checkbox"/> Wequiock |
| <input type="checkbox"/> Doty | <input type="checkbox"/> Langlade | <input type="checkbox"/> Red Smith | <input type="checkbox"/> Wilder |

My child will use the district provided transportation to and from **Beaumont Elementary School** from the following school as the pick-up and drop-off site: *(Please check only ONE site)*

- | | | | | |
|--------------------------------------|--------------------------------------|----------------------------------|--------------------------------------|-------------------------------|
| <input type="checkbox"/> Chappell | <input type="checkbox"/> Franklin MS | <input type="checkbox"/> Lincoln | <input type="checkbox"/> Kennedy | <input type="checkbox"/> Tank |
| <input type="checkbox"/> Elmore | <input type="checkbox"/> Jackson | <input type="checkbox"/> Martin | <input type="checkbox"/> Lombardi MS | <input type="checkbox"/> King |
| <input type="checkbox"/> Fort Howard | <input type="checkbox"/> Jefferson | <input type="checkbox"/> Keller | <input type="checkbox"/> MacArthur | |

To request busing from your home school before the full day of Summer School (9:00), and to the Boys and Girls Club at the end of the full day of Summer School (12:30), please complete one of the following two options:

Parents will be responsible for picking up their child from the Boy's and Girl's Club. Transportation will not be provided from the Boy's and Girl's Club to the school drop-off site.

My child will use the district provided transportation to **Sullivan Elementary School** from the following school as the pick-up site, but would like the drop-off site to be the **East-side Boys and Girls Club**: *(Please check only ONE pick-up site)*

- | | | | |
|---------------------------------------|-------------------------------------|------------------------------------|--|
| <input type="checkbox"/> Aldo Leopold | <input type="checkbox"/> Edison MS | <input type="checkbox"/> Martin | <input type="checkbox"/> Washington MS |
| <input type="checkbox"/> Baird | <input type="checkbox"/> Eisenhower | <input type="checkbox"/> McAuliffe | <input type="checkbox"/> Webster |
