

To Parents of 3-5 Year Old Children...

Did You Know...

The Early Childhood Screening Team of the Green Bay Area Public School District provides a developmental screening as a service to the parents of young children who live within the school district boundaries. The developmental screening checks on a child's overall development and determines if the child may need more testing or services before kindergarten. Several developmental screenings are available this year at various community sites.

Below are the dates and locations for upcoming screenings:
