RE: **Camps**

Please communicate this information to coaches and other staff members in your schools who may be interested in conducting camps in any of the Green Bay Public School facilities. The following guidelines will continue to apply.

1. If an employee of the School District wishes to run a camp, has the permission of the building principal and charges a \$30 or less participation fee, the camp will be considered a school function, and no fees will be charged for the use of school facilities.
2. If a camp is sponsored by an employee or an outside group, and a charge is assessed for more than \$30 per participant, the camp is not considered a school function and must conform to all requirements of Board policy governing the use of school facilities including the provision of a certificate of insurance.
3. Principals must coordinate the dates and times for approved camps with the Facilities and Related Services Department to avoid construction conflicts.
4. A Camp Request Form must be completed and sent to Timothy Flood, Administrator of District Co-Curricular Programming (see attached form).
