OUR DISTRICT

The Green Bay Area Public School District was founded in 1856 with the opening of the Sale School. More than 180 years later, the District continues its rich tradition of excellence in educating students. With more than 19,000 students and 42 schools, the District offers students a wide array of educational options to meet their needs and interests, and prepare them for postsecondary education, the military, and/or a career.

Demographics

Economically Disadvantaged - 64.5%
English Learners - 20.7%
Students with Disabilities - 15.2%

By The Numbers

3,700+ Staff Members

19,000+ Students

42 Schools

90+ Golden Apple Award Winners

OAK Learning Center is a Model 3 4K program located at the Bay Beach Wildlife Sanctuary. It is a partnership with the City of Green Bay and the University of Wisconsin - Green Bay. Students who attend spend nearly all of their time outside exploring and learning about nature.

Mission Statement

To educate all students to be college, career and community ready inspired to succeed in our diverse world.

Intra-District Transfer

Parents may choose to send their student to a Green Bay Area Public School other than the one in his or her attendance area. Applications are usually accepted from the beginning of January through the end of April. There is a preference window, typically January, when intra-district transfer applications are considered prior to open enrollment applications. More information and application windows can be found at gbaps.org/intradistrict_transfer.

Open Enrollment

The open enrollment program allows parents to apply for their children to attend a public school in a school district other than the one in which they reside. Any Wisconsin resident 4K to grade 12 may apply to attend a nonresident school district under the open enrollment program. The open enrollment application period usually runs from the beginning of February until the end of April. Learn more at dpi.wi.gov/open-enrollment.

UNIVERSITY of WISCONSIN
GREEN BAY

Turbocharge with College Credit is a K-16 partnership between the Green Bay Area Public Schools, Northeast Wisconsin Technical College and the University of Wisconsin - Green Bay with a shared transformational vision that all District students graduate with more than a high school diploma. It is an intentional effort by the partners to successfully transition high school graduates to a 2- or 4-year college, the military or the workforce by earning college credit, industry certification, or an equivalent achievement.

Note:

- Special education services are offered in every District school; however, to best serve students with more significant needs, the District also has specialty focus programs. Focus programs may change location due to student need and space availability.
- All students have access to the Board adopted universal curriculum and resources. Bilingual students learn the universal curriculum in both Spanish and English.

It is the policy of the Green Bay Area Public Schools to be nondiscriminatory on the basis of sex; race; religion; national origin; ancestry; creed; pregnancy; marital or parental status; sexual orientation; or physical, mental, emotional, or learning disability in their education programs and activities and also employment practices. Direct inquiries to Equity Office, Green Bay Area Public Schools, P.O. Box 23387, Green Bay, WI, 54305, 920-448-2000.
