Congrats to District Chief
• Technology & Information
Officer **Diane Doersch** for
being selected as runner-up
for Technology & Learning
Magazine's Leader of the Year
Award.

Congratulations to **Aldo**
• **Leopold** students for raising
\$290 for the Lucky 7 Dog
Rescue.

This Week in Pictures

Faces of GBAPS

The Green Bay Area Public School District is lucky to have staff and students with a wide range of talents, interests, and rich life experiences. This week we'd like to introduce Preble High School student Max Bobholz. For a complete listing of Faces of GBAPS features from the 2016-17 school year, [click here](#).

Photo Caption: Preble High School junior Max Bobholz has been playing baseball since he was nine years old. One day after losing an influential baseball coach, Max was watching the Little League World Baseball Series and discovered a way he could help a team in need with his extra baseball gear. With the help of his

family, Max started his own organization called Angels at Bat and has personally delivered over 4,000 pieces of equipment to a team in Kenya, and developed two other branches in D.C. and Colorado. Although much of his time has been spent with Angels at Bat, Max has maintained a 3.9 GPA throughout high school, participated in cross country, basketball and baseball, and was a peer-leader and member of the National Honor Society. For more information on Angels at Bat, visit: <http://angelsatbat.yolasite.com/>.

- Congrats to **Preble High School's** Lucas McCormick for earning the state pole vault title.

A Year in Review: 2016-17

Thank you for a wonderful school year! The video below showcases one photograph from each of our schools. Enjoy!

Graduation Photos

Looking for photos from our high school graduation ceremonies? Photos from the following schools are posted on their school Facebook pages: East, Preble, Southwest, West, and John Dewey Academy of Learning.

Schools Host Summer Library Hours

The Green Bay Area Public School District will be holding library hours this summer at various schools across the District. In partnership with the Brown County Library, children will be able to participate in the public library's summer reading program at their neighborhood school.

Children of all ages and families are welcome to visit and check out books. In addition, they can participate in storytime, create something at makerspace stations, and engage in a variety of other learning activities.

These schools will be hosting library hours this summer: Baird, Doty, Howe, Keller, Kennedy, Lincoln, Martin, McAuliffe, Nicolet, Red Smith, Sullivan, Wequiock and Wilder. [Schedule of open library hours](#).

Newsletter Schedule

This is the last GBAPS Connects newsletter of the 2016-17 school year. Stay tuned for a mid-summer edition of the newsletter in July. GBAPS Connects will resume its normal Monday publication schedule in mid to late August. Please enjoy a wonderful and relaxing summer break!
